

## SKORPIO

Skorpio is the BrisVegas production duo of David Sparkles Madden and Shane Skerik.

Fresh off the mark in 2015 the boys have been churning out some smooth nu disco and deep house remix groovers combining deep, soulful and funky vibes for discerners of quality tunes.

Both sharing a birthday on 3 November and holding down years of experience as professional DJ's, Shane is the production gun and Sparkles the go to guy.

Currently with their 2nd Release The Plan on Yes Yes Records and a stack of Remixes in just over 2 years, the boys are keeping it real.

Expecting big things from the Skorpio sting with their Remix of M1 – If Everybody Looked The Same, being included in the pack that went to #8 in the ARIA Club Chart in 2017 for Vicious Recordings and Olsen ft Red London – King of My Castle currently at #19 in 2019!
